Reference: July Monthly Report (6/1/02-6/30/02)

Dear Mr. Fealy:

On October 30, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 7, 2002, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response indicates that your committee received duplicate receipts in the amount of \$1,154.14 in December of 2001. However, no receipts in that amount appear on the 2001 Year End Report; nor are there any receipts listed on that report from "DUCHOSSOIS IND.", the entity to which the refund check in question was issued. Please clarify when this overpayment was received, from whom, and for what purpose in an amendment to this report. Please note, the refund of excessive individual contributions should be issued directly to the contributor.

An adequate response must be received at the Commission by December 11, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response

submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Maureen Benitz on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

John D. Gibson
